1. PURPOSE

- 1.1 At Vantage CE Academy Trust, the Trustees are responsible for the governance and supervision of the Trust and its committees including the Local Advisory Boards (LABs). The Trustees have overall responsibility and ultimate decision-making authority for all the work of the Trust, including the establishing and running of Academies, but will delegate the governance responsibility to local advisory boards (LABs), who will support the work of the Trust and promote the success of the Academies.
- 1.2 The day-to-day management and responsibility for the running of the Academies has been delegated to the CEO, who will be supported by both a central management team (where appropriate) and leadership teams in each of the Academies, including their appointed Principals.
- 1.3 The roles and responsibilities of the Trustees are set out in the Scheme of Delegation, this includes performance management of the CEO and the roles and responsibilities of those sitting on the LABs.
- 1.4 The Trustees fulfil their responsibilities through strategic planning and by the setting of policy and standards, as well as taking responsibility for the oversight and management of risk. The Trustees have the power to direct change where required. The Trustees must act independently and in the best interest of the Trust, even if those interests conflict with those of the body or organisation that might have appointed or nominated such persons to serve on the Trust Board.
- 1.5 The Trustees are accountable to the Secretary of State for Education and to the communities that they serve. The Trustees, whilst in certain circumstances possibly also sitting on a local governing body, are responsible for all the Academies run by the Trust and are expected to use their skills and experience in undertaking a role on the Trust Board.

2. MEMBERSHIP

- 2.1 The composition and powers of the Trust Board are (subject to charity and company law) determined by the Articles of Association and in any conflict between these Terms of Reference and the Articles, the Articles shall prevail.
- 2.2 Board members must be able to demonstrate an understanding of the ethos and values of the Trust and a commitment to fulfilling the Trust's mission and objectives for the Academies, drawing on specialist skills where required.
- 2.3 The number of Trustees shall be not less than nine but (unless otherwise determined by ordinary resolution) shall not be subject to any maximum. Meetings of the Trust Board shall be convened and

conducted as provided by the Articles of Association.

- 2.4 All Trustees have equal voting rights. In the event of an equal division of votes, the Chair shall have the casting vote. The Board shall appoint an individual from among their number to act as Chair. The Board shall also appoint an individual from among their number to act as Vice Chair. The Chair and Vice Chair of the Trust Board will not be employed by the Trust. The term of office for both the Chair and Vice Chair will be one year. A change of Chair will require a notification to be made to the DfE, including a Disclosure and Barring Service (DBS) disclosure form to be submitted via the DfE.
- 2.5 The main role of the Chair is to chair meetings of the Trust Board. They also provide leadership to the Trustees and acts as the main point of contact between the Trustees and the Executive Team. Apart from any special responsibilities or powers given to the Chair in the Trust's Articles of Association (e.g. the right to chair meetings of the Trust Board and to have a second or casting vote in any case of an equality of votes at a meeting of the Trust Board), the Chair has no special powers or rights over any other Trustee. If the Chair is to carry out certain specific functions (for example, the power to approve an overspend in a certain area of the budget or the CEO's appraisal), then this must be expressly delegated to them by the Board.
- 2.6 Administrative support will be provided by the Trust's Lead Governance Professional. In determining the agenda for Board meetings and committee meetings, the Trustees will have regard to the requirement on them to:
- ensure good financial management and effective internal controls
 - comply with the Funding Agreement and the current version of the ATH (or successor documents)
 - receive and consider information on financial performance at least three times a year
 - take appropriate action to ensure ongoing viability against agreed budgets
- 2.7 Agendas will be agreed in advance by the Chair and the CEO of the Trust (based on, but not limited to, a pre-agreed annual workflow). Papers will be circulated to Trustees and attendees at least 5 working days in advance of the meeting. Minutes of meetings will be taken and approved by the Board. In consultation with the Chair, the Trust Company Secretary shall prepare an annual plan for the meetings of the Trustees.

3. QUORUM

- 3.1 The quorum for a meeting of the Trustees, and any vote on any matter thereat, shall be any three Trustees, or where greater, any one third (rounded up to a whole number) of the total number of Trustees holding office at the date of the meeting, who are in each case present at the meeting and entitled to vote on the matters to be resolved. **Full details of proceedings at meetings as provided in the Articles of Association.**

4. STAKEHOLDERS

- 4.1 Trustees are asked to have regard to the voices of their various stakeholders and to put in place arrangements to receive feedback and to respond appropriately.

5. ACCOUNTABILITY

RISK MANAGEMENT

- 7.1 The Charities Statements of Recommended Practice ("the SORP") set out requirements for reporting on the risks to a charity. - 7.2 The report must also include a summary of the Trustees' plans and strategies for managing these risks. The Trustees must identify specific risks and describe ways to combat each one, rather than making general statements regarding risk management.
- 7.3 The Trustees are therefore responsible for:
- Identifying the major risks that apply to the Trust, including:
 - operational risks (employment issues, health and safety, fraud, service quality and development etc.)
 - financial risks (accuracy of financial information, cash flow, reserves, over-reliance on funding sources etc.)
 - external risks (changes in government policy, economic factors, demographic changes, adverse publicity etc.)
 - regulatory risks (compliance with legislation, changes in policies of the regulators etc)
 - Making decisions (based where appropriate on advice from professional advisors) as to how to respond to those risks
 - Direct internal scrutiny, including making sure risks are being addressed appropriately
 - Oversight of external audit
 - Making appropriate statements regarding the management of risks in the annual report.

- 8.2 The Board as a whole is responsible for ensuring that:
- The skills of any new Trustee fit in with the Trust's requirements in the short, medium and longer term

 - The new Trustee understands the responsibility they are taking on and consents to act as a Trustee.
- 8.3 Each new Trustee will be properly inducted to ensure that they understand the nature and extent of their role and responsibilities. It is the duty of a new Trustee to ensure that they are familiar with the Objects of the Trust; its history and ethos and the nature and extent of its activities; and the content of the Trust's Articles of Association.
- 8.4 The Trust Company Secretary, on behalf of the Trustees, shall provide each new Trustee with:
- The Trust's Articles of Association

- 8.6 The Trustees shall ensure that the Board has the skills and experience needed to perform its functions effectively. The Trustees must have in place a system for evaluating Trustees, with a view to identifying potential gaps in their skills and any requirements for training. Such evaluation shall be carried out annually. Trustees shall also be kept up to date with developments in the legal and regulatory framework in which the Trust operates through attendance at individual and whole Trust Board training.

They were first set out by Lord Nolan in 1995 in [the first report of the Committee on Standards in Public Life](#) and they are included in a range of codes of conduct across public life.

11.2 The Seven Principles of Public Life (also known as the Nolan Principles) apply to anyone who works as a public office-holder. This includes all those who are elected or appointed to public office, nationally and locally, and all people appointed to work in the Civil Service, local government, the police, courts and probation services, non-departmental public bodies (NDPBs), and in the health, education, social and care services. All public office-holders are both servants of the public and stewards of public resources. The principles also apply to all those in other sectors delivering public services.
